

Discount Fuel Program for CPCA Members

With this program, CPCA members receive a 5-cent fuel discount on gallons purchased with a CFN card (Commercial Fueling Network) and a 2-cent discount with the Flyers Fleet Card, which is accepted at more than 93% of gas stations nationwide. At no additional cost, this program carries security and accounting features that can save your business hundreds of dollars per year.

We can also service your delivered fuels and lubricants needs!
