February 18, 2019

Dear Producer Member,

The CPCA Safety and Health Committee is now accepting applications for the CPCA Safety Awards. Awards are available in two categories based on 2017 statistics:

- **Workplace Safety** - based upon size of the plant and the number of "lost time" injuries during the calendar year.
- **Driving Safety** - based upon the number of power units (including passenger and light trucks) and the number of at-fault accidents during the calendar year.

All producer members of CPCA are eligible for the awards. Separate awards may be given in each category to each dues-paying plant. Specific qualifications are explained on the enclosed application and award details.

Deadline for submitting applications is **Friday, April 12, 2019**. Awards will be presented during the Spring Conference at the Thursday night banquet (May 2, 2019) at the Embassy Suites Monterey. You do not need to be present to receive your award, but we hope you will be.

Please take a moment to read about the program and submit your application right away.

Sincerely,

Glenn Goodwin, Chair

CPCA Safety and Health

## CPCA

# SAFETY AWARDS PROGRAM

**Purpose:** To promote safe working conditions and to encourage reduced incidents of injuries and accidents by our member companies.

**Method:** To award member plants having exemplary safety records with certificates which acknowledge their excellent results in:

### Workplace Safety

Separate **Workplace Safety** awards will be issued in each of two categories, with criteria for plants as follows:

- Under 25 employees, an award if:

**No Lost Time Injuries**

- 25 or more employees, an award if:

**1 Injury with 5 or Less Days  
of Lost Time**

*("Lost time" means more than 8 hours missed work after the day of injury.)*

### Driving Safety

**Driving Safety** awards will acknowledge driving excellence as evidenced by lack of "at-fault" accidents, and be awarded as follows:

- Plants with 10 or less Power Units:

**No At-Fault Accidents**

- Plants with 11 or more Power Units:

**No More than One At-Fault Accident**

*("At-Fault" is ANY accident that is even only partially the fault of the driver.)*

**Awards:** Certificates will be presented annually at the Spring CPCA Conference, and will be based upon prior calendar-year results. Awards will be provided to each plant and/or each location that are members of CPCA, based upon written applications.

*Note: All award winners receive certificates for placement in plaques. Plaques are provided first year of winning an award only.*

**Eligibility:** Producer members award eligibility will be determined by the Safety Committee, subject to approval by the Board of Directors.

## SAFETY AWARDS APPLICATION

*Based on 2018 Performance*

Deadline for submission: Friday, April 12, 2019

Refer to the attached informational page for descriptions and details of CPCA's Safety Awards Program.

If your plant is eligible for a Workplace Safety or Driving Safety Award, please provide the following information:

Contact Name:

Title:

Company Name:
